The image shows a commemorative plaque for Delta Systems. At the top is the Delta Systems logo, which consists of a blue stylized 'D' icon followed by the text 'DELTA SYSTEMS'. Below the logo, the words 'HALL of FAME' are written in a large, white, 3D-style font. The plaque is divided into three horizontal sections by decorative scalloped borders. The middle section features a shield-shaped icon containing a pair of human lungs, with the text 'LungGuardian' and 'VERSION 3.0' below it. To the right of the shield are two tablet devices displaying the application's interface, which includes a line graph and various data tables. The bottom section of the plaque contains the text: 'An innovative pneumonia tracking application used to inform doctors of key metrics and treatment results.'
